GUIDANCE

Provide evidence in answer to the following question using no more than 500 of your own words (10% leeway allowed):

Applicants should provide evidence which supports that they go beyond what is required and expected from a licensee and would merit their premises being awarded a national title.

Whilst it is recognised that charity work is an important part of a successful Best Bar None venue it is not always directly related to the licensed objectives. Applicants should refer to any innovative or unique practices which make them stand out from their competitors and should link these to relevant initiatives implemented and/or actions taken within their premises which meet the 5 objectives of the Licensing Scotland Act 2005 i.e.

- Preventing Crime & Disorder
- Securing Public Safety
- Preventing Public Nuisance
- Protecting & Improving Public Health
- Protecting children from harm

“You have already been identified as the ‘Best’ in your category at a regional level. Now tell us why you should win the title of ‘Best in Scotland’ in your relevant category?”
